

TRUE NORTH TAVERN

I have an art show for the **entire month of December** at True North Tavern in San Diego. If you have never been to this popular North Park tavern, you now have a better reason to go! Fast becoming a hot spot in the neighborhood, this venue is great for socializing as well as for watching every sporting event you can think of. And it's right around the corner from Ray Street!

All artwork shown is be for sale. True North handles all aspects of purchasing the artwork there, or feel free to contact me directly.

THE PERSONAL SERIES

The Personal Series is work that is commissioned by you and designed by you. You give me colors and phrases, and I create an original painting just for you. These paintings make very special gifts. They are perfect for anniversaries, graduations and birthdays, to name just a few. Below is one I did for my sister's birthday in November.

Song lyrics and poems are prime candidates for the Personal Series. The creative possibilities are infinite. Prices range from \$200 for a 12" x 12" to \$400 for a 20" x 20" painting. I can go larger, too, if you desire.

If you have someone special, and you're at a loss for a meaningful gift, here's your chance to show someone how much you really care. ☺

Note: I am available for commission work outside of the Personal Series, too!

Additional Note: Still time to order a painting for Christmas, just send me your information and downpayment by 12/10/10.
